Big Fourth of July In Narberth Under Boy Scouts

All Residents Will Join In Big Celebration

A real old-fashioned Fourth of July celebration will be held in Narberth this year.

A day of excitement, big doings and fun for everyone will be provided under the direction of the Narberth Boy Scout Troop. Outdoor dancing, a brass band, and fireworks are among the features slated for Tuesday's doings.

The plans, which are now under way, give prospect of a big day in store. In the morning, the baseball game will be held at Narberth. The opponents at this time will be Berwyn. In the afternoon our team journeys to Wayne, to try its luck at that point. A brass band has been secured by those in charge of the celebration in the afternoon. The affair will be held on the south side, with the scout headquarters at Essex and Elmwood avenues as a center.

It is planned to secure permission to have neighboring streets closed off during the time of the events. The old tennis courts on the opposite corner will be used for the afternoon events, and for the fireworks display in the evening. The lawn of Mr. John A. Caldwell will be furnished with chairs and tables for use by those partaking of the refreshments.

The refreshments will be served from the building of the Scout headquarters, by the scouts. A dancing pavilion will be erected on the grounds nearby, which will be used for dancing in the evening. The lumber for this is to be loaned by Mr. W. D. Smedley, and the scouts themselves will attend to the actual construction work.

As part of the afternoon program, there will be speeches by prominent people of the town at 4.30. Earlier in the afternoon there will be games for girls and boys on the old tennis courts. Prizes will be awarded, and all boys and girls under 18 years of age are eligible to compete.

The fireworks display in the evening will be under the direction of the Bradley Firework Company, who will furnish an experienced man to set off the pyrotechnics, thus insuring safety of operation. The amount of fireworks material which will be used in the display will be dependent largely upon the response given by the people of the town to the appeal of the committee in charge for subscriptions to back up this affair.

All residents of the town anxious to get behind this and make it a success are asked to give those in charge their support and financial assistance. A house-to-house canvass, similar to that now in progress in other towns planning an affair of this kind, will be inaugurated next week. To simplify matters, those willing to help with the affair are asked to send their subscriptions to whatever amount they feel they can afford to Mr. T. Noel Butler, 229 Essex Avenue.

This is the first time in a number of years that such an affair has been attempted in Narberth. Residents are urged to make no other plans for the afternoon and evening of July 4th, but to join in this, a real, old-time, homey celebration.

UNION TWILIGHT SERVICE

The first Union Twilight service of the season was held last Sunday evening on Mr. Smedley's lawn, 227 Narberth Ave. Notwithstanding the threatening weather, there was an attendance of 107.

The music by the choir of the Baptist Church and the congregational singing was fine.

Rev. E. M. Stephenson, D. D., of the American Baptist Publication Society, delivered a very helpful and inspiring address. Be sure to attend the service next Sunday evening at 7.30.

Tennis Courts Are Opened to Everyone

Narberth Association Are League Leaders

At a recent meeting, the members of the Narberth Tennis Association decided to throw their courts open to all residents of the borough, so that those interested in the game, but who are not affiliated with any club, can have an opportunity to see what advantages the Association has to offer. Regardless of whether you are a member, or are acquainted with a member, bring your racquet up to the courts at Montgomery Pike and Haverford Avenue, and play as long as you desire. The "glad hand" committee will see that you get a partner and that you are provided with a court. This invitation includes everybody living in the borough, so don't hesitate about accepting it.

The team of the Association, under the able leadership of Capt. Thorny Grugan, journeyed out to Fox Chase, or Ox Joint or some other such place on Saturday, June 17, where they met the Elberon Club and easily draped the muslin over them, only one of the nine matches played being lost. McCahill, the only member of the Narberth team to lose his match, has not reached his top form, and in future matches he will certainly atone for this defeat.

Narberth now occupies first place in the Middle States League and there is small chance of their being displaced. Out of 36 matches played, they have lost but three, no teams having taken more than one match from them. The crucial test, however, comes in a few weeks, when they meet the strong Philadelphia team.

A big awning is being erected in front of the exhibition courts, and will be ready by the Fourth of July. This will afford added comfort to visitors, especially this fall when the big tournament matches are played.

JEFFRIES, NARBERTH BOY, TO LEAD PRINCETON NINE

Princeton, N. J., June 19.—Members of the Princeton varsity base ball team have elected J. H. Jeffries, of Narberth Pa., to captain next year's nine. Jeffries has played on the team for two years, having pitched last season, while this year he has not only twirled several games, but also caught and played in the outfield at different times. In addition to his work with the base ball nine, Jeffries played two seasons on the basket ball team, which last year won the Intercollegiate League championship. He is also the only man in college to hold two captaincies, having previously been chosen to head the basket ball five next season.

LAWN FETE

The Grand Annual Lawn fete of St. Margaret's Parish is scheduled for Wednesday, Thursday, Friday and Saturday evenings of this week, weather permitting. Otherwise the first clear evenings following these dates.

A new and unique feature this year will be the Radiophone, now all the craze. This "newest marvel of our marvellous age" will be installed by the local experts, Sperry and Ward, assisted by D. Lanahan, and will be under their direct supervision.

In connection with the Carnival a fine "spread" awaits everybody who wishes it, at 209 Forrest Ave., adjoining the lawn. The Women's Alliance, which has charge of this, announces there will be no cover charges. Only the nominal sum of fifty cents will be asked for an elegant, fully satisfying supper.

As usual, visitors to the lawn will find attractions aplenty to please and amuse. Admission free.

A FAMOUS BAKER.

White's Sweet Shop, formerly Betty's, on Haverford avenue, has secured the services of a baker of parts.

Louis Laurier, who is now preparing baked delicacies for Narberth consumers, was for years employed in Tasmania, Australia and New Zealand. Laurier has to his credit the manufacture of one of the largest cakes ever attempted, over 300 pounds in weight. He has made this cake, a replica of the wedding cake used when Queen Alexandria and King Edward VII were married, four times, the first time being in Sidney, Australia. This cake, when sold, brought one thousand dollars.

Laurier has recently been employed by Carraud, the largest bakery of Dallas, Texas, and has recently come to Narberth to do his part to assist Mr. White in preparing baked goods for Narberth.

R. J. Nash Elected New President of Civic Association

Is Chosen At the Recent Business Meeting

Mr. Robert J. Nash was elected President of the Narberth Civic Association at the annual meeting held recently.

This annual business meeting, postponed from May 11th, was attended by a gathering both enthusiastic and loyal.

The minutes of the 1921 annual meeting was read and approved.

A unanimous vote of thanks was tendered the retiring officers and directors. A vote of thanks was also tendered Mr. Alfred M. Collins for his splendid illustrated lecture on Big Game Hunting in Africa, which was a treat enjoyed by those who attended the meeting on May 11th. The secretary was instructed to write Mr. Collins and thank him on behalf of the officers and directors of the association.

The past activities of the association were read by the secretary and it was the opinion of the meeting, sensed in the discussion that followed, that there were many opportunities for the organization to carry on the work which it started over eight years ago.

It was the opinion of the meeting, that every effort be made to carry on the Playground Project and make it available for service as promptly as possible.

The Garden Club Flower Show Committee reported that it had been necessary to call off the Spring Flower Show partly on account of freakish spring weather which made it almost impossible to select the right Saturday, but mainly on account of heavy rain on the day set for the show and rain the previous day. The report further stated that while such conditions are greatly regretted, it is essential that the financial side be considered as the shows are expensive to provide for and are dependent on the attendance for support.

The first general move toward a National Flower Show in connection with the Sesqui-Centennial Exposition came from the Garden Club of the Narberth Civic Association and a letter of thanks from the Sesqui-Centennial Committee approving the idea was read. Copy of news item from "Evening Ledger" filed with letter.

A plan to circularize every resident of the Borough for voting membership in the Civic Association was approved as part of the work for the coming year.

Officers and Directors for the coming year were nominated and elected: President—Mr. Robert J. Nash.

First Vice-President—Mr. A. J. Loos.

Second Vice-President—Mrs. C. P. Fowler.

Third Vice-President—Mr. George A. Muhl.

Secretary and Treasurer—Miss Jeannette E. Gillis.

Directors to serve until 1923: Dr. D. W. Steckbeck, Dr. Le Roy A. King, Mr. Walter A. Fox. To serve until 1924: Mr. Walton M. Wentz, Mr. Ralph S. Dunne. To serve until 1925: Mrs. E. C. Batchelor. To serve until 1926: Mr. Robert J. Edgar.

The above, with three directors already in office, comprise the directorate. Mrs. Robert F. Wood, Mr. I. A. Miller and Mr. A. E. Wohler are the additional directors whose terms do not expire until 1923.

A WISE CHOICE

In the election of Mr. Robert J. Nash as its president, the Narberth Civic Association has made a wise selection. Mr. Nash has always stood at the top of the list in all matters affecting the welfare of Narberth. He has given the benefit of his moral and financial support to any enterprise designed to boost the Year Round Home Town.

At the present time he is President of the Narberth Baseball Club, an officer of the Playground Association, and a loyal booster of the Choral Society, Boy Scouts, and other Narberth bodies.

The Civic Association can accomplish big things under Mr. Nash's leadership. The whole-hearted backing of every public-spirited resident will do much to aid him. A campaign for new members will be inaugurated before long, and it is hoped that there will be a response of 100% in this important matter of civic advancement.

To the Editor of "Our Town":

In appreciation of the clever and interesting work by Collum Righter for "Our Town," I wish to extend my appreciation and say that the Tower of Babbie alone is, in my judgment, worth more than the subscription price of the interesting little weekly visitor.

INSIDIOUS PROPAGANDA

THE TOWER OF BABBLE

By Collum Righter

The Column was much pleased, more proud and most amused at the peculiarly gotten up verbal barb which the esteemed Am. Leg. Auxiliary attempted to thrust into our impervious hide in their warmly compiled letter recently forwarded to and printed by the Hon. Editor of this paper. Up until last week we had been roasted, cussed out, reviled and so forth by practically every separate and organized Agency of males and females in Narberth with the exception of this delicious galaxy of Female Patriots. In view of the fact that they too have seen fit to foolishly judge the egg by its shell (as have many others) we feel now that life is practically complete—that nothing more is left to be desired.

To be perfectly frank though, they are letting us down quite easily. Yes, quite easily. The suspense, however, is "farrable." How, oh how, can we live through it? Are we to expect the usual short shrift from the admirable Dames and Damsels? Is it that we must anticipate nothing less than Court-martial with removal of all our chevrons, medals and insignia, together with the snapping of our sword across some daintily dimpled but safely secreted Auxiliary knee? Must we be haunted o' nights by vague dreams of the possibility of our slender figure being draped along a stone wall and there to be shot at, at sunrise? 'Odds pigs! This latter would visit upon us a stern hardship, in truth, since Daylight Saving has become the order of things. We have been half-shot many times at four A. M., but being wholly shot at such an unreasonable hour as that is a matter we would refer to the Chief Burgessmetsger before submitting to it. Absolutely.

There is of course a germ of pride to be isolated from all this bacteriological tempest in a feminine tea-pot. For the ability to draw a spark from a number one plug while touching the crew-driver to a number six plug is a mean qualification to possess. Or to put it differently, to direct a paragraph at a memorially decorative laxity and have it score a bulls-eye upon such luscious target as the Leg. Aux., denotes that the Ladies (God bless 'em) cannot be very busy. Either that or else we have developed the power to curl double-back-action literary boomerangs with a verve that we never knew we had before. And accordingly we loff our hat to ourselves and smile grimly the while.

The wholly unwarranted martyrdom which the sweet girls superimposed on us in their letter to Hon. Ed accomplished three things. First, it gave us the measure of the cerebral capacity of folks who should have known better. Secondly, it settled for all time our candid opinion of a certain thing, and unfortunately the settled opinion is by no means the one we first held—and lastly, it spurred forward to prominence a sudden centralized interest in Old Glory that should by all rules of the game be calculated to make this sacred Emblem a thing to be proud of—a Flag to be got out of the attic on appropriate Days and displayed from the pillars of all old front porches, be they Republican, Democratic, wood or concrete. So much for that.

As far as concerns our part in the World War, we were entitled to it and we took it. Further than that we do not care to go. The greatest sacrifices, the supremest events in life are invariably those of which the least mention is made. There is naught among the records of our comings-in or our goings-out to be ashamed of however. We merely "seen" our duty and "done" it. Nuff said.

Now serving up as dessert, our regard and respect for the Flag, we take this golden opportunity to inform the vivacious A. Leg. Aux. that we are to a certain extent part and parcel of the Emblem itself, as the following historic data will bear out:—our great grandmother was a BUNTING and she married a POLE. We personally see RED every once in so often when unmitigated dumbness is displayed by certain

selected readers of the Column. Our favorite pastime is ice-cream made by WHITE, while our specially adored color is BLUE. At odd times in our career we have seen STARS, and it may be that before we are through, it will fall to our lot to be wearing STREPPES. After which latter remark we fancy we hear the combined voices of the captivating Leg. Ladies echoing in chorus the immortal query of that wide-known flour advertisement— "Eventually? Why not now?"

In closing the debate the Column wishes hereby to advise the esteemed American Legion Auxiliary Unit of Harold D. Speakman Post, No. 356, that their Intelligence Division, through a grievous and unpardonable error in discernment of intent and an unwarranted omission of a proper application of thought as well, has deliberately and spitefully confused well-meaning Mirth and Jocularly anent the display of Old Glory with "Satirical Comment" and by so doing has burdened their official records and the already crowded columns of this paper also with an unsavory lot of pseudo-patriotic bunk which is very much out of place in either of the two locations.

The Tower of Babbie
Fair June hath well nigh run her race.
While running it, we've seen her face
Both wet with tear and wreathed in smile.

Her tear a rain-drop, none the less,
Her smile Sunshine and Happiness.
And each of these she's freely given
To make bleak Earth resemble Heaven.

For June through her fast fleeing hours
Hath scattered Joy and Cheer about.
List! Hear the children laugh and shout
A'rumping gaily mid her flowers.

So hasten. Let us choose a gift
And gaily on sweet June bestow it.
Come quickly—quickly! Time's adrift!
July will be here 'fore we know it.

Mr. and Mrs. Wm. J. Butler have gone to Wildwood Crest, N. J., for the summer.

Mr. W. Roberts Cameron and family, of Price avenue, are spending the summer in Ocean City.

BOOKS RECOMMENDED

The Narberth Community Library, which is a department of the Women's Community Club, has recently issued its recommended list of books for summer reading. All the books on the list have been read by members of the library staff and have been selected for some specific reason. There are included representatives of the newest and best books in all the classifications, fiction, poetry, drama, essays, history, travel, and biography. You will be serving yourself a delightfully balanced literary ration if you read one from each of these groups; you will be serving yourself an intellectual feast

AMERICAN LEGION AUXILIARY

The American Legion Auxiliary, Harold D. Speakman, Post 356, has held several very interesting meetings recently.

At the regular monthly meeting held May 1st, at the home of Mrs. Winthrop B. Derby, we had as our guest Mrs. Rothrock, of Norristown, who as District Deputy told us much that was interesting and helpful concerning our organization.

The June meeting was held June 6 at the home of Mrs. H. K. Gottshall, at which time we decided to send our unit President, Mrs. Effie Burns, as a delegate to the State Convention in September. We also made final arrangements for our garden party given at the home of Mrs. C. C. Eutenmann, Friday evening, June ninth, which was a great success. All those who were unable to attend this enjoyable affair missed something worth while.

We shall be pleased to welcome into the Auxiliary the mothers, wives, sisters and daughters of all Legionnaires. Applications for membership may be obtained from the secretary, Miss Edith Hewitt, 116 Essex Avenue.
